EXPERIENCE

CIBC

Ajax, ON

- *Client Service Representative*

Sep 2025 – Present

- **Operational Efficiency:** Streamlined daily transaction processing by standardizing teller workflows and error-checking protocols, reducing operational error rates by 15% and increasing throughput to serve 200+ clients daily.
- **Problem Resolution:** Resolved complex client account and transaction inquiries by applying product knowledge and CIBC's escalation framework, achieving a 98% first-contact resolution rate and improving NPS scores by 20%.
- **Digital Adoption:** Led branch rollout of CIBC's Self-Serve SMS initiative by designing training materials and coaching 12 Sales and CSR staff on tool integration, increasing adoption across daily workflows and reducing front-line volume.

Lonzo's Kitchen

Toronto, ON

- *Bookkeeper*

Oct 2022 – Jun 2024

- **Automation:** Automated recurring financial reports by building Excel macros and Power Query refresh pipelines, eliminating 60+ hours of manual data entry per month and improving accuracy across multiple finance workflows.
- **Dashboard Development:** Designed dynamic Excel dashboards using PivotTables and structured data models to consolidate 10,000+ operational data points, improving reporting efficiency by 40% and enabling performance visibility.
- **Reconciliation:** Reconciled multi-account general ledgers using PivotTables and Power Query to automate month-end matching across \$2M+ in annual transactions, cutting close time by 40% with zero accuracy loss.

Illuminated Angels

Toronto, ON

- *Finance Director*

Oct 2023 – Aug 2025

- **Budget Management:** Automated budgeting, forecasting, and expense tracking by building Excel models with Power Query data connections and syncing outputs to QuickBooks, reducing monthly reporting time by 35%.
- **Financial Operations:** Directed end-to-end reimbursement and payment processing by implementing a structured transaction log in Excel, processing 150+ transactions with zero errors and maintaining audit-ready records.
- **Funding & Revenue Optimization:** Secured over \$8,000 in external funding through targeted grant applications and partnerships, while using Excel sales trend analysis to identify cost-saving opportunities and improve profitability.

LEADERSHIP EXPERIENCE

LANDSYU

Toronto, ON

- *Financial Director*

May 2025 – Present

- **Budget Reporting:** Built Excel dashboards with dynamic PivotTable summaries and conditional formatting to streamline budget reporting for 1,000+ students and staff, reducing reporting time by 30%.
- **Budget Management:** Managed annual budget allocations exceeding \$2,000 by implementing a structured expense-tracking workbook in Excel with variance analysis, improving reporting accuracy by 25%.

DECA

Toronto, ON

- *Finance Executive*

Sep 2023 – Feb 2024

- **Competition Performance:** Ranked 1st out of 50+ competitors at a regional finance competition by analyzing business case financials and delivering structured recommendations to a panel of judges.
- **Financial Planning:** Oversaw budgeting and financial planning for club initiatives using Excel tracking sheets, while supporting case preparation and financial analysis coaching for 20+ members.

PROJECTS

Financial Reporting Automation | Alteryx Designer | [GitHub](#)

- **AR/AP Aging Analysis:** Built Alteryx pipelines using DateTimeDiff calculations and IF/ELSEIF bucketing logic to classify 1,700+ invoices by days outstanding, surfacing \$2.3M+ in overdue receivables and \$1.9M+ in upcoming payables across a two-tab Excel report.

KPMG Audit & Assurance Job Simulation | Excel, Financial Auditing | Forage Certificate

- **Revenue Audit & Reconciliation:** Reconciled 8 GL revenue accounts totalling \$42.2M to financial statement captions using Excel VLOOKUP, Pivot table, and SUMIF formulas and cross-referencing, achieving zero discrepancies; analyzed YoY variances identifying 8.7%–11.5% growth across all revenue streams; and vouched 5 revenue samples to source invoices to confirm existence and accuracy assertions.
