EXPERIENCE

- **CIBC** Ajax, ON
Client Service Representative Sep 2025 - Present
 - **Operational Efficiency :** Optimized daily transaction processing workflows, reducing operational error rates by 15% and increasing transaction throughput to serve 200+ clients daily in a fast-paced retail banking environment.
 - **Problem Resolution:** Resolved complex client account and transaction inquiries with a 98% first-contact resolution rate, improving customer satisfaction scores by 20% through tailored support and proactive problem-solving.
 - **Digital Adoption :** Led the branch rollout of CIBC's Self-Serve SMS initiative in Q1 2025, coaching 12 Sales and CSR staff and integrating the tool into daily workflows. Improved digital onboarding, increasing daily Self-Serve SMS adoption and reducing front-line workload and wait times through greater client self-service.
- **Lonzo's Kitchen** Toronto, ON
Bookkeeper Oct 2022 - Jun 2024
 - **Automation:** Automated complex financial reporting processes using advanced Excel tools, reducing manual data entry time by 60+ hours per month and improving accuracy across multiple finance workflows.
 - **Dashboard Development:** Designed dynamic Excel dashboards consolidating 10,000+ operational data points, improving reporting efficiency by 40% and enabling real-time performance insights for cross-functional teams.
 - **Reconciliation:** Reconciled multi-account general ledgers and streamlined month-end close using PivotTables and Power Query, reducing close time by 40% while maintaining accuracy across \$2M+ in annual transactions.
- **Royal LePage** Ajax, ON
Real Estate Intern Sep 2022 - Jan 2023
 - **Market Research:** Conducted market and property research by analyzing listings, pricing trends, and comparable properties to support informed business decisions.
 - **Administrative Support:** Supported daily operations through document preparation, file organization, and coordination of client and property-related information.
 - **Data Management:** Maintained and organized property and transaction data in Excel, improving reporting accuracy and supporting internal tracking processes.

LEADERSHIP EXPERIENCE

- **LANDSYU** Toronto, ON
Financial Coordinator Analyst May 2025 - Present
 - **Budget Reporting:** Developed Excel dashboards to streamline budgeting processes, reducing reporting time by 30% and improving financial transparency for 1,200+ students and staff.
 - **Budget Management:** Managed annual budget allocations exceeding \$10,000, implementing structured expense tracking systems that improved reporting accuracy by 25%.
 - **Cost Analysis:** Monitored funding utilization across programs and student initiatives, identifying cost-saving opportunities that reduced overall expenses by 15%.
- **DECA** Toronto, ON
Finance Executive Sep 2023 - Feb 2024
 - **Competition Performance:** Ranked 1st out of 50+ competitors in a regional finance competition by analyzing business case scenarios and presenting financial recommendations to judges.
 - **Financial Planning:** Served as Finance Executive, overseeing budgeting and financial planning for club initiatives and supporting case preparation for 20+ members.

PROJECTS

- **Financial Reporting Automation:** Built Alteryx workflows automating AR/AP aging analysis — bucketing 1,700+ invoices by days outstanding using DateTimeDiff and IF/ELSEIF logic, surfacing \$2.3M+ in overdue receivables and \$1.9M+ in upcoming payables across a two-tab Excel report.
- **Interactive Budget Dashboard:** Designed an Excel dashboard using PivotTables, charts, and dynamic formulas to track budget performance, monitor spending trends, and support faster financial decision-making.
- **KPI Performance Dashboard:** Created a Power BI dashboard to visualize key performance metrics, identify trends, and support data-driven operational decisions.
