EXPERIENCE

CIBC

Ajax, ON

Client Service Representative

Sep 2025 – Present

- Processed **200+** daily client transactions across deposits, withdrawals, and account servicing using CBFE and COINS, maintaining **zero cash discrepancies** over 6+ months of branch operations during high-volume periods.
- Resolved escalated client inquiries by leveraging eCRM to surface account history and apply CIBC's escalation framework, achieving a **98%** first-contact resolution rate and contributing to a **20%** improvement in branch NPS scores.
- Spearheaded branch-wide rollout of CIBC's **Self-Serve SMS** initiative by authoring training documentation and coaching **12 Sales and CSR colleagues**, cutting average transaction wait time by **25%** and increasing self-serve adoption across daily branch workflows.

Lonzo's Kitchen

Toronto, ON

Bookkeeper

Oct 2022 – Jun 2024

- Managed full-cycle bookkeeping using **QuickBooks** and Excel, recording and categorizing **500+** weekly transactions across sales, food costs, and vendor payments with zero posting errors.
- Automated month-end close by building Power Query pipelines pulling daily POS data into reconciliation templates, cutting close time by **40%** and eliminating **60+** hours of manual entry per month.
- Reconciled **\$2M+** in annual revenue by cross-referencing POS sales reports against bank deposits across cash, card, and delivery platform channels in Excel, identifying and resolving a **\$4,200** batch settlement discrepancy before year-end filing.

Royal LePage

Ajax, ON

Finance and Operations Co-op

Sep 2022 – Jan 2023

- Supported commission tracking and reconciliation for **15+** real estate agents by organizing closing transaction records in Excel, reducing manual follow-up by office staff.
- Compiled comparable sales reports using MLS data and Excel PivotTables to support agent property valuations, improving turnaround time on client-facing materials.

LEADERSHIP EXPERIENCE

LANDSYU

Toronto, ON

Financial Coordinator

May 2025 – Present

- Secured **\$1,200+** in sponsorships through targeted outreach to **15+** local businesses and campus partners, funding law-focused events and maintaining relationships through structured follow-up.
- Tracked club budget of **\$1,500–\$2,000** using a categorized Excel expense log across events, supplies, and operations, maintaining audit-ready reimbursement records for executive members.

DECA

Toronto, ON

Finance Executive

Sep 2023 – Feb 2024

- Ranked **1st** out of **50+** competitors at a regional DECA finance competition by delivering structured financial analysis and actionable recommendations to a panel of industry judges.
- Organized and led practice competition sessions for **20+** members, providing targeted feedback on financial case analysis, presentation structure, and judge communication.

PROJECTS

Audit Analytics Pipeline | *Alteryx Designer* | [GitHub](#)

- Built Alteryx canvas using DateTimeDiff calculations and IF/ELSEIF bucketing logic to classify **1,700+ invoices** by days outstanding, surfacing **\$2.3M+** in overdue receivables and **\$1.9M+** in upcoming payables across a two-tab Excel report.

KPMG Audit & Assurance Job Simulation | *Excel, Financial Auditing* | Forage Certificate

- Reconciled **8 GL revenue accounts totalling \$42.2M** to financial statement captions using Excel VLOOKUP, PivotTables, and SUMIF formulas, achieving **zero discrepancies** and analyzing YoY variances identifying **8.7%–11.5% growth** across all revenue streams.
- Vouched **5 revenue samples** to source invoices to confirm existence and accuracy assertions, applying audit evidence standards consistent with Big 4 assurance methodology.
